IRRIGATION & CAD (PW-REFORMS) DEPARTMENT

G.O.Ms.No. 110

Dated : 08 -10-2010

Read :-

From the ENC(Irrigation), Hyderabad, Lr. No. ENC (I)/DCE.IV/
OTM5/S2/551/2010, dt. 24-5-2010.

ORDER:

In the letter read above, the Engineer-in-Chief (Irrigation) has stated that the Commissioner of Industries in his letter dt. 27.01.2010 have forwarded the application of M/s Nadhi Bio-Products Ltd., Kalukuntla (V), Manopadu (M), Mahabubnagar District for granting permission to draw surface water of 1250 KL/day or 16 Mcft/year from Tungabhadra river at location near to km 8.00 of KC Canal. Further the Chief Engineer (Projects) Kurnool, has furnished the proposal duly reporting that there is no objection to grant permission to the firm for drawing sub surface water of 1250 KL/day or 0.016 TMC /Annum from Tungabhadra river at location near to km 8.00 of KC Canal UT duly stipulating certain conditions along with prescribed proforma communicated to the Government. The Engineer-in-Chief (Irrigation), Hyderabad, has also stated that the Chief Engineer, Inter State & Water Resources, in his letter dt. 7-5-2010, has stated that the concerned Chief Engineer may be directed to ensure that only sub surface water will be utilized by the Firm (i.e., by keeping infiltration wells away from the river margin) which otherwise would amount to violation of Bachawat Award as utilization under Tungabhadra sub basin has already exceeded allocation duly stipulating one of the conditions to the conditions to that effect, while according permission to the Firm. The Chief Engineer (Projects), Kurnool has also recommended to accord permission to draw 1250 KL/day or 0.016 TMC/Year of sub surface water by the Firm of M/s .Nadhi Bio-Products Pvt .Ltd .from Tungabhadra River at location near to km 8.00 of KC Canal with usual terms and conditions subject to the concurrence of District Collector, Kurnool and the clearance of Pollution Control Board at an early date.

2. In the circumstances reported by the Engineer –in-Chief (Irrigation) above, Government after careful examination of the proposal hereby grant permission for drawal of sub-surface water of 1250 Kilo Liters /day (0.5108 Cusecs) or 16 Mcft./year through infiltration wells from Tungabhadra River on D/S of Sunkesula Barrage at location near KM. 8.00 of K.C. Canal by M/s Nadhi Bio-Products Private Ltd., at Kalukuntla (V), Manupodu (M) Mahaboobnagar District for a period of 10 years for consumptive use for Industrial purpose, subject to payment of royalty charges and conditions as stipulated in Board of Revenue standing orders and general conditions as mentioned below :

1. The water can be spared based on the availability of water in River Tungabhadra The Chief Engineer, will ensure that location of infiltration well is Fixed away from the river margin.
2. The Industry to draw sub-surface water only through infiltration wells and two rows of pipe line with lifting arrangements with their own cost and department is not responsible for any damage to the above arrangement due to any reason and construction of pump house should be borne by the industry only.
3. Water meters or suitable measuring devices should be installed by the Industry at their own cost to measure the water Consumed and should be made available to the Department Authorities and the representatives of the user shall be present at all times for inspection.
